

Advice for TN Sufferers concerning Face Masks:

We suggest that you check the information under the following link:

<https://www.gov.uk/government/publications/face-coverings-when-to-wear-one-and-how-to-make-your-own/face-coverings-when-to-wear-one-and-how-to-make-your-own>

This link does use the term face coverings and not masks so if you find it difficult to wear a covering with loops perhaps instead use a snood that you could pull up over your face or a scarf you could tie at the back of your head?

If you are a member of TNA UK you can carry your Alert card that is sent with the membership pack. Perhaps you should make sure you have it with you at all times - this contains a brief description of the condition and will be useful to show if someone challenges you if you are not able to wear a covering.
